The UBJ Experience: How We Work

We make booking professional entertainment simple and stress-free:

1. **Consultation:** We discuss your event theme, audience, and goals to ensure we give you the best entertainment package to suit your business.
2. **Curation:** We hand-pick the perfect talent—from Magicians to Marimbas—to match your vibe.
3. **Execution:** Our performers arrive 30 minutes early, fully prepared, and ready to bring the energy.

Technical Requirements

- **Self-Contained:** Most of our performers (Magicians, Clowns, facepainters, Stilt Walkers) provide their own basic gear and props.
- **Audio/Visual:** For Marimba bands or large-scale Illusionist shows, please contact us to discuss specific sound and lighting needs.

Our Community Impact

As a division of the UBJ Community, a portion of our booking proceeds goes directly toward supporting local youth arts and community development programs. When you hire us, you're investing in the future of our community.
